Half-day Saigon Cu Chi Tunnel

This morning, pick up by private car and local guide, then transfer to visit the famous **Cu Chi Tunnels**, an incredible underground tunnel network constructed by Vietnamese resistance fighters during the long struggle for independence. The Cu Chi Tunnel system had been created long time back, from 1948 to assist Viet Minh in the combat with French. And it was continuing built over 25 years later. It was an underground city with living areas, kitchens, storage, weapons factories, field hospitals, command centers. In places, it was housed up to 10,000 people who virtually lived underground for years.... getting married, giving birth. During the American War the entire area of Cu Chi was designated a free fire zone and was heavily bombarded. From 1988, two sections of tunnels have been open for visitors. Back to Saigon. Drop off at your hotel.

Departures: Daily private tours leave at 8:00 am
